

Special Meeting with Josh Dather on July 15, 2015

Members in attendance: Sandra Bishop, Jim Cassavantes, Sonja Bryant, Jaci Totherow, Harry Ivey and Carrie Arms-Polin.

If It's Outdoors, LLC has our current contract to do the landscape maintenance.

Questioning about expectations for the contract:

Mulch is no longer included in our monthly maintenance which has caused our amount to decrease to \$495.

Questions were asked about the maintenance of the round islands and what the expectations are for them. They are to be pruned but questions were asked as to be done better.

Brush was asked to be picked up along the road when maintenance is being done.

Watering is to be done 4 days a week between 5 and 6 am. It will be increased to deal with our drought.

Questions about the mulch: quote about between \$1200 and 1300 for mulch to be blown in.

Landscaper designers were discussed as an option.
